OUR SERVICES

PROJECT MANAGEMENT CONSULTANCY

As Project Management consultants, we at BUILDHOPE INFRA, undertake a planned series of activities and design them in synchronization with the client's requirements. This includes overall planning, coordination, monitoring and controlling of a project from inception to completion in order to produce a functionally and financially viable project that will be completed on time, within approved cost and to the required quality standards as planned.

PROJECT SCHEDULING AND MONITORING

We at BUILDHOPE INFRA, take up jobs of Project Scheduling & Monitoring exclusively on PRIMAVERA. From Planning stage to Monitoring & Controlling stage, we prepare Project schedule, monitor it and suggest the corrective measures to control the time and cost of the project.

ARCHITECTURE AND INTERIOR DESIGN

BUILDHOPE INFRA. believes that the creative design process is at the heart of every project. Therefore, in addition to our forte of existing Project Management and Development Solutions, we also offer a Design Services to our clients by assisting them in the design phase by collaborating with the designers and as per the requirement of the client to achieve the final desired product.

QUALITY AUDITING

Having the expertise in PROJECT MANAGEMENT SERVICES, we offer the Quality Auditing services to the clients where they have deployed in-house technical teams on their projects.

We believe that quality isn't achieved by accident, it takes a lot of hard work and Project Management processes to be followed to achieve the planned quality. We assist the existing on-site technical teams of our clients in planning and executing the best Quality Management processes.

COSTING AND QUANTITY SURVEY

BUILDHOPE INFRA. can also undertake assignments of Cost Management, Quantity Survey, Cost Audit, Bill Audit and Cost Monitoring of the project to ensure that the project is being developed to the Clients requirements within the best value proposition and budget. BUILDHOPE INFRA, Cost and QS Team offers an effective Cost Management system for all stakeholders in the project..

TESTIMONIALS

CLIENT

- If you're trying to achieve, there will be roadblocks. I've had them; everybody has had them. But obstacles don't have to stop you. If you run into a wall, don't turn around and give up. Figure out how to climb it, go through it, or work around it.

MR. Subhash Yadav

- Decorpot Designers were quite flexible in doing customization and were open to feedbacks across the design and delivery process.

Really Happy with the final output

MR. Anurag Mishra

- We don't find people who get back to you without a wrinkle on their face when we keep questioning them about the design aspects.

That's what I like about them. Their Attitude

MR. Jeevnesh Suri

- We are fully satisfied with the performance of Masters and we appreciate all efforts which the entire team of Masters made during their tenure in the project which has been in accordance with the professional commitments made to us during inception.
